

This statement is to confirm and assure that all our components do NOT contain asbestos or any of its related compounds.

This includes but is not limited to:

- Chrysotile (white asbestos)
- Amosite (brown asbestos)
- Crocidolite (blue asbestos)
- Anthophyllite, Tremolite and actinolite – all belonging to the serpentine and amphibole families.

For any additional questions, please contact the compliance department.

Regards,
Venkel Ltd.
