

Human Trafficking Statement

Venkel Ltd. understands the importance of respecting the rights of its workers and is not involved in slave labor or human trafficking. Venkel Ltd. does not conduct nor condone the practice of debt-bonded labor, slavery, or human trafficking at any level of our business and has zero tolerance for companies that do so. We follow the guidelines set by the US Department of Labor and the US Department of Health and Human Services. All employees are hired and checked by one of the largest human resources agencies in the United States.
